MISSION STATEMENT FOR THE CATHOLIC SCHOOLS IN THE ARCHDIOCESE OF DETROIT

The Archdiocese of Detroit holds that Catholic schools serve as an extension of the educational ministry of the Church, which continues the teaching mission of Jesus.

CATHOLIC SCHOOLS

- ❖ Proclaim the Gospel;
- ❖ Develop a faith community in which Gospel values are formed, experienced and lived;
- ❖ Preserve and teach the doctrines and traditions of the Catholic faith;
- ❖ Provide a learning environment which fosters academic excellence;
- ❖ Nurture young people to become “responsible and inner directed, capable of choosing freely in conformity with their consciences.”

The Catholic Church in the Archdiocese of Detroit recognizes the dignity of each child and the rights of parents as primary educators. It makes every effort to keep Catholic schools accessible to all who embrace this education mission of the Church.

MISSION STATEMENT OF OUR LADY QUEEN OF MARTYRS SCHOOL

Our Lady Queen of Martyrs is a Catholic Community dedicated to nurturing students who will contribute to the world through faith, character, and lifelong learning.

SCHOOL PHILOSOPHY

We believe Our Lady Queen of Martyrs School offers each student a community where catholic values are learned and nurtured.

Together Our Lady Queen of Martyrs Parish and School will instill within each child a lifelong commitment to living and sharing the Gospel message.

Our Lady Queen of Martyrs will promote academic and spiritual growth and the expectation of service to others.

GOALS OF OUR LADY QUEEN OF MARTYRS SCHOOL

- ❖ Promote a basic knowledge of Catholic doctrine;
- ❖ Develop Christian moral values so that the students will be self-motivated to make choices based on sound Christian principles;
- ❖ Provide professionally qualified faculty who exemplify Christian ideals and principles;
- ❖ Develop skills in language arts, mathematics, science, social studies, foreign language, music, art, computer, and physical education;
- ❖ Instill within each student a sense of personal responsibility and self-discipline;
- ❖ Provide an environment which is conducive to the physical well-being of students;
- ❖ Provide a Catholic education for as many children in the community as possible.

SPIRITUAL AWARENESS

The atmosphere of a Catholic school should reflect the spirit of Christian life and learning. We offer our students a program of spiritual activities, which add and enrich the scholastic life. Catholic doctrine is presented in each grade in a relevant and meaningful manner. The liturgical year is developed through opportunities for attending Mass and receiving the Sacraments.

In all spiritual activities, the school recognizes the fact that the parent(s)/guardian(s) also play an important role in the moral and spiritual training of the child. The example of the parent(s)/guardian(s) is the key factor for the spiritual development of the child.

LITURGICAL CELEBRATIONS

Each grade level worships God through planned liturgies. Students in Grades 1-8 attend Mass once a week. All grades attend Mass on Holy Days and other special occasions throughout the school year. Parents are invited to join the students in these Eucharistic celebrations.

SACRAMENTAL PREPARATION PROGRAM

Our Lady Queen of Martyrs Parish provides opportunities for students to prepare for and receive the sacraments of Holy Eucharist, Reconciliation, and Confirmation within the Catholic community of prayer and worship. First Holy Communion (Eucharist) is ordinarily received in the second grade, and the sacrament of Reconciliation is also received in the second grade. The sacrament of Confirmation is celebrated in the eighth grade. Preparation for the celebration of these sacraments is a joint effort of parents and religious education staff. During a year when a student is receiving a sacrament there will be periodic meetings and activities scheduled throughout the year.

SCHOOL/HOME PARTNERSHIP

A strong, cooperative partnership between school and home is an essential ingredient for an effective education. The best interests and needs of the student remain paramount, yet must be balanced against the good of the school community. With all partners in the process working together, the student is afforded the best educational experience.

Parents who cannot support the policies of the school community, or do not display a positive role in the school-home relationship, may be required to remove their child from the school.

ADMISSION POLICIES AND PROCEDURES

Our Lady Queen of Martyrs School admits students of any race, national and ethnic origin to all rights, privileges, programs, and activities generally accorded students at that school. It does not discriminate on the basis of race, national or ethnic origin or sex in the administration of its hiring and personnel and education policies, admission, scholarship and loan programs, and athletic and other school administered programs as required by the terms of Title IX of the Educational Act of 1972, Public Law 92-316, as amended by Public Law 93-586. Our Lady Queen of Martyrs School will accept students in Pre-Kindergarten through Grade 8, providing applications meet certain specified admissions criteria.

APPLICATION PROCESS

1. The Application Form: In order to begin the application process, a parent or guardian of the applicant must complete the general application form and return it to school with a non-refundable application fee.
2. A parent or guardian must sign the release form included with the Application for Admission so the school may request records and/or teacher recommendations from the applicant's current school and/or intervention program.
3. Interview: A developmental assessment for Kindergarten and Grade One applicants will be individually scheduled. Additional information will be provided with the application form.

ADMISSIONS DECISIONS

Decisions are based on the following considerations and criteria:

1. Students enrolled in the School (Preschool – Grade 7) will be given first consideration to advance to the next level. Student eligibility for promotion to the next level is a staff decision.
2. Children entering Preschool through Grade One must meet the following age requirements:
 - ❖ Preschool 3 years old by September 1 of enrollment year
 - ❖ Pre-k 4 years old by September 1 of enrollment year
 - ❖ Kindergarten 5 years old by September 1 of the enrollment year
 - ❖ Grade One 6 years old by September 1 of the enrollment year
3. Applicants are accepted in the following order of preference:
 - A. Siblings (Note: Family members must be enrolled during the school year for which the applicant is applying.)
 - B. Families who are registered contributing members of Our Lady Queen of Martyrs Parish. Families are ranked according to the date in which they registered in the parish.

WAITING LIST

Our Lady Queen of Martyrs School employs a waiting list of applicants when classes are full. If space becomes available, it will be filled by the next student who meets all the criteria for admission. The Principal may use his discretion to decide how long the waiting list will remain in effect.

ENROLLMENT

An offer of enrollment is made to applicants if space is available. This offer occurs when the school sends an Acceptance Form to the family which must be returned with an enrollment deposit by a specific date. Acceptance Forms not returned by the due date may void the offer of enrollment.

PROBATIONARY STATUS

All enrollments are subject to a six to nine week trial period to assure the appropriate placement of each child. The staff will work closely with parents/guardians and children during this adjustment period to help ease the transition. At the end of the probationary period, the Principal and/or Pre-K Director, teacher(s) and the parent(s)/guardian(s), will review the student's academic, behavioral, and social progress.

TUITION

Our Lady Queen of Martyrs School is subsidized a considerable amount each year by the parish. There are two tuition rates: one for registered parishioners who are active and participating members of the parish; and one for non-registered parishioners.

Tuition bills are mailed from the Parish Office four or eight times a year, depending on the payment plan selected by each family. Quarterly payments are billed in July, September, November and the balance is due by mid-January.

Tuition will be refunded on a pro-rated daily basis if a student elects to leave the school or is expelled; however fees are non-refundable.

Any families needing alternate payment plans must contact the Tuition Bookkeeper or the Pastor. Financial assistance may be available from the Archdiocese of Detroit when applications are made through the parish.

CHANNELS OF COMMUNICATION

Our Lady Queen of Martyrs School maintains the policy that if parents/guardians have a particular problem or concern with a teacher, they must address the problem or concern immediately and directly with the teacher. Should a satisfactory solution to a problem or concern not occur; the parent/guardian is then directed to contact the following channels of communication:

- 1) Principal
- 2) Pastor
- 3) Catholic Schools Office of the Archdiocese of Detroit

HOMEWORK

Each teacher establishes his/her own daily or weekly homework requirements. The philosophy behind homework is the enrichment and reinforcement of the learning which has taken place in the classroom. Homework is a useful adjunct to the school curriculum to the extent that it enables the student to form independent study habits.

Parents/guardians may assist by helping and encouraging their children, but not by actually doing the work for them. Children learn best by doing the work themselves with appropriate guidance when necessary. Parents/guardians may further assist by checking to see if the assignment is properly completed. Parents/guardians are encouraged to keep a check on their children's progress by asking to see the corrected papers that have been returned to them and by checking SchoolSpeak.

Homework may consist of assignments not completed in school. It may be a project connected to a particular subject or topic being studied. It may be reading that is recreational or informational, and it may even be material for studying. Not all homework is necessarily written.

CODE OF CONDUCT

Our Lady Queen of Martyrs' Code of Conduct is based on Christian fundamentals and principles, with the goal of helping students grow in personal responsibility and social concern.

The Code of Conduct

- ❖ Students will respect each person, including teachers, parent volunteers, classmates, and younger and older students.
- ❖ Students will respect the property of others.

- ❖ Students must respect all property, including desks, books, and lockers.
- ❖ Students may not write, read or pass notes to other students during the school day.
- ❖ There is no running in the hallways.
- ❖ Adherence to the uniform code is required. Shirts must be tucked in at all times.
- ❖ No gum chewing on school grounds.
- ❖ Students who bring cell phones to school must put them in their locker during the school day (8:00am – 3:15pm) in the off mode.

ITEMS NOT PERMITTED IN SCHOOL

The following items are not permitted in the school building or on the school grounds without the expressed permission from teacher or administrator:

- ❖ Toys

- ❖ Aerosol containers
- ❖ Anything else deemed unsafe or inappropriate by the administration.

CELL PHONE AND ELECTRONIC EQUIPMENT POLICY

- ❖ Students may bring to school a cell phone and/or other authorized electronic equipment if they are kept in the off position in their lockers during the school day. Electronic equipment includes, but is not limited to, any device that has the ability to be used as a phone, text, has a camera, or connects to the internet. Such equipment may only be used before 8:00am and after 3:15pm. This includes any field trips during school hours.

Infractions to this rule result in:

- ❖ 1st offense – student will stay after school and serve detention and the item(s) will be kept in the office until a parent/guardian picks it up.
- ❖ 2nd offense – student will serve a one day school suspension and the item(s) may not be brought back to school.

DISCIPLINE REVIEW COMMITTEE

School rules serve to maintain order on a daily basis and to help students develop desired behavior. Infractions of the School Behavior Rubric will be addressed as outlined below, depending on the severity of the infraction.

Detention: detaining a student for a short period of time before or after school.

Detentions are given for less serious violations of the School Behavior Rubric, or for a repeated violation of the dress code or other established regulation (i.e. missing assignments). Any teacher, administrator, or lunch supervisor may issue a detention.

Violations include, but are not limited to:

- ❖ Disobedience
- ❖ Dishonesty
- ❖ Cheating (cheating will also result in a “0” on the test or paper)

- ❖ Disruptive behavior
- ❖ Inappropriate language
- ❖ Inappropriate physical contact with other students
- ❖ Disrespect of student, teachers and staff

Violations of established rules include, but are not limited to the following:

- ❖ Inappropriate lunchroom behavior
- ❖ Misuse of playground equipment
- ❖ Running in hallways
- ❖ Poor bus behavior

At the time a detention is issued, the student is made aware of the infraction. The detention slip must be signed by a parent and returned to the issuing teacher on the following school day. The student is to serve the detention on the assigned day.

FIGHTING

Fighting is a serious offense against the order of the school community. The parties to an incident of fighting may be immediately sent home, normally not exceeding a day's length of time. This "cooling off" period is not to be equated as a suspension or expulsion, but as an opportunity for the students to reflect upon the seriousness of the incident and upon the need to develop more positive options and responses to the problems that caused the fighting. The parents and students must have a conference with the Principal before the students will be permitted to return to the classroom. A serious incident of fighting may be grounds for suspension or expulsion.

SEXUAL AND ILLEGAL HARASSMENT

Archdiocese of Detroit School Policies and Guidelines

It is the policy of the Archdiocese of Detroit and Our Lady Queen of Martyrs School to make every effort to provide an educational environment as well as a work environment, free from all forms of harassment. WEAPONS

Students are prohibited from bringing weapons to school and school sponsored activities, or having weapons in school or at school sponsored activities, on the school premises, on a school bus or en-route to or from school, or in the immediate vicinity of the school.

State law requires the reporting of possession of a “dangerous weapon” to the local law enforcement agency. “Dangerous weapon” may include, but are not limited to, a firearm, BB gun, air soft gun, dagger, stiletto, knife with blade over 3 inches long, pocket-knife opened by mechanical device, iron bar or brass knuckles. Toy guns or gestures that mimic a weapon are also prohibited.

Definitions

- ❖ A **weapon** is any object which can be used to threaten or injure another. It includes, but is not limited to “dangerous weapons” as defined by the State of Michigan law.
- ❖ **School premises** include the school building and the adjacent grounds including but not limited to parking lots, playground, student lockers, and busses.
- ❖ **Immediate vicinity** of the school means a block radius of the school.

Any student discovered to be, or suspected of, carrying, possessing, concealing or transferring a weapon on school premises or in the immediate vicinity of the school, shall be immediately excluded from classes pending investigation.

A search can be conducted to verify the suspicion or clarify the discovery. It may include without prior warning an inspection and search of a student’s person, pockets (the student empties his/her pockets.) book bags, purse, lunch bag, locker, etc. Questioning of the same purpose may include questioning by the administration, a member of the administration team, a school teacher, the pastor or a person acting in the place of any of these.

When a body search is conducted it shall be in the administrator or pastor’s office or other appropriate place. Another person of the same sex will conduct the search of the student.

If a student refuses to cooperate or interferes with a search of a person or possessions or premises: s/he will be warned that refusal to cooperate without legitimate reason will result in disciplinary action, up to and including expulsion from school.

Depending on the nature of the weapon, the local police department shall be notified immediately and if possible, the student detained whenever the school has reason to suspect a student may have a weapon or when a weapon is present on school premises.

Any student found to be in violation of the school’s policy is subject to disciplinary action, up to and including expulsion.

The administration may exercise the options to both keep non-school persons out of the school and/or retain students in the school until police have completed their investigation.

Any student determined to have brought a firearm to school will be expelled for a period of not less than one year. The term “firearm” means:

1. Looking at another student’s test or quiz, regardless of intent.
2. Talking during a test or quiz, regardless of intent.
3. Copying another student’s work or providing one’s work to another student to copy. In some cases, a teacher may assign a group project. In other cases, students may work in groups to study for a test or quiz. Unless otherwise specified by the teacher, all student assignments are meant to be prepared individually as a result both students will be at fault.
4. Reporting or writing false scores on tests or assignments.
5. Use of notes or electronic devices not allowed by the teacher.
6. Theft of materials or looking at stolen materials.

 - b. Changing a few words from an outside source does not excuse a student from a charge of plagiarism.
 - c. A student who uses any outside source for an assignment must credit that source in the paper.
 - d. A student who borrows the ideas of anyone else to a significant degree must give credit to that source.

- e. A student must provide sources when a teacher requests them. Attempts to conceal sources when they are requested are cheating.

Consequences for Cheating

Each case of cheating will be considered individually, since circumstances can often change the seriousness of the act. However, cheating of any kind is dishonest. A cheating incident will result in the disciplinary actions described below:

1. The teacher who discovers the cheating takes the papers from student(s) and informs the principal.
2. The student(s) involved receive a zero or F for the particular assignment/test or quiz.

Procedure for Expulsion

1. A written notice of misbehavior of the student will be given to him/her and his/her parent or guardian the day of the expulsion. The student is immediately suspended, pending further review and possibly expulsion. The notice will also include procedures for seeking review by the administration, including the time frame in which such review must be sought.
2. A parent or guardian shall be present at the conference. If advance notice (at least on school day) is to be provided, the administration, at his/her discretion may permit faculty or staff members or other students to attend the conference to provide relevant information. However, it is the parent/guardian's responsibility to secure the attendance of such other students at the conference. No other persons (ex: relative, friend, advisor, attorney, etc.) will be permitted to attend.
3. Within a reasonable time after the conference, the student and the parent or guardian will be notified as to whether the student will be asked not to return to school.

4. The decision of the conference will be put in writing and provided to the parent/guardian. Expulsion will be preceded by suspension so that circumstances that suggest a possible expulsion can be investigated and deliberated.
5. The parents have one (1) school day to appeal the decision to the administration, orally. The administration may request the reasons for the appeal is put in writing and/or may hold a conference. Failure to comply with any such reasonable request will be grounds for dismissing the appeal. The administration will issue a written decision.
6. If not satisfied with the administration's decision, the parents may further appeal to the pastor. The pastor may notify the parent/guardians of the procedure he wishes to follow. The decision of the pastor will be final and will be communicated by the administration.

SUSPENSION AND EXPULSION

Our Lady Queen of Martyrs School, realizing its obligations to the student, will extend every reasonable effort to assist students in adjusting to the social and academic requirements of the school environment. Decisions to suspend will follow only after other means of motivation have failed and/or circumstances of crime, scandal, or disruption necessitate this extreme disciplinary action. Authority to suspend a student rests with the Principal.

Suspension is the denial to a student of the right to attend classes or take part in or attend school functions for no longer than three days. The Principal may also impose an in-school suspension if appropriate.

The expulsion of a student from a Catholic school is such a serious penalty that it will be invoked rarely, and then only as a last resort. Nevertheless, there may be situations which will demand removal of a student from the school. Expulsion is the permanent dismissal of a student from the school. Authority for expulsion rests with the Principal.

The following are categories of misconduct, which may result in suspension or expulsion. These categories are general in nature and are not to be all-inclusive:

- ❖ Theft
- ❖ Defacing property
- ❖ Willful destruction of another person's property or school property
- ❖ Use of profane and obscene language and/or gesture
- ❖ Possession of weapons or explosives

- ❖ Possession and/or use of drugs, tobacco or alcoholic beverages
- ❖ Physically threatening and/or actually abusing students or staff members
- ❖ Violation of compulsory attendance laws
- ❖ Truancy from school
- ❖ Fighting
- ❖ Extortion
- ❖ Persistent disobedience and/or breaking of school rules and regulations
- ❖ Gross misbehavior, conduct detrimental to the normal functioning of the school or school activities

There will be no refund of tuition and fees if a student is expelled.

LUNCH PROGRAM

The supervised lunch program is an excellent way to ensure constructive physical activities during the noon hour in order to foster positive mental attitudes for the afternoon. We expect our students to respect the supervisors who are in charge of the lunch hour. Disrespect, lack of lunchroom manners, and/or unacceptable behavior will result in a detention or require parents to make special arrangements to spend the lunch time supervising their own child. All children are expected to go outside every day and should come prepared as weather conditions necessitate.

Students bring their lunches to school. Forgotten lunch should be brought to the School Office. Milk is served daily, which is ordered and paid for at the beginning of the school year.

Hot Lunch is offered 5 days a week. Order forms will be made available at least one month in advance.

LUNCHROOM AND RECESS GUIDELINES

1. Students are to remain seated while eating. They are to use good table manners and speak in a conversational tone. It is expected that they will clean their table area when finished.
2. Running is never permitted in the lunchroom.

3. Students must remain on school property and in the area designated by the lunch supervisors at recess.
4. Students will respect one another's right to equipment, play area, and personal property. There will be no activities with excessive physical contact that will cause concern for student safety.
5. Students will refrain from throwing stones, sand, snowballs, woodchips or other objects.
6. Or any other violations deemed inappropriate by administration.

REPORT CARDS

Report cards will be found on line through SchoolSpeak four times a year at the end of each quarter in Grades Kdg – 8. Students in Grades 6 – 8 qualify for First and Second Honors status.

A weekly school email will be sent home every Thursday. Parents are expected to read the email carefully in order to keep abreast of all the activities and happenings in and around the parish and school community.

When needed, additional communication will be sent home, but the email is our primary vehicle of school/home communication.

Additional communication may be sent home in a school Friday Folder.

ABSENCES

Please call the School Office before 9:00 a.m. when your child will be out of school. The office must be called each day of the absence. This will avoid many office calls and will be a special protection to your child's safety. The voice mail system will accept calls on a 24-hour basis. Truancy laws will be followed for excessive absences.

ADDRESS/PHONE CHANGES

It is important that you keep the office informed of any address or phone number changes, including work/cell phone numbers and email addresses. Please write the new information and send it to the office. This includes information contained on your child's emergency card.

EARLY DISMISSAL

A written request from the parent or guardian must be submitted if a student is to leave school before the time of dismissal. The Principal or Office Administrator must sign this note in the morning. In case of emergency or illness, the child's emergency card will be consulted to ascertain parent wishes. The student is to be picked up from the office. No child will be released to another adult without prior written instructions from the parent.

Any changes to normal dismissal must also be in writing. For example, a change may include permission to ride the bus, if you don't normally ride the bus.

The office should be notified before 2:30pm about any and all changes.

TARDINESS

A student is considered tardy if he/she is not in the classroom after the 8:10 a.m. bell. Students who come to school after 8:10 a.m. must report to the School Office. Repeated cases of tardiness will be brought to the attention of the Principal so that parents may be contacted. The teacher is responsible for recording tardiness daily, on the student's report card, and on the permanent record card.

EMERGENCY INFORMATION CARD

At the beginning of each school year, parents will be asked to fill out an Emergency Card specifying whom to contact in case of an emergency. It is the parent's responsibility to notify the school office of any changes including changes in telephone numbers, persons authorized to pick up your child, home address etc.

In case of sickness or emergency, the school will utilize the information provided on the Emergency Information Card to contact the designated parent/guardian. The Emergency Card requires medical health insurance information that would accompany the child should he/she require hospitalization during school hours. Please be sure to include all medical conditions the school should be aware of.

UNIFORM CODE

Our purpose of the uniform regulation is to insure that each student presents a neat, clean, well-trimmed appearance. In all cases, the administration reserves the right of final determination concerning proper student attire and overall appearance. Random uniform checks will occur throughout the year.

The first time a student is determined to be "out of uniform"; he/she will be issued a uniform violation. After this first offense all other infractions will result in a detention and/or a phone call to the parents to bring appropriate clothes to school.

Our Lady Queen of Martyrs Dress Code

At Our Lady Queen of Martyrs Catholic School students are expected to dress and conduct themselves in a manner that is respectful of their dignity as children of God. Neatness, cleanliness, and a well-groomed appearance are expected. Students in Grades K through 8 are required to wear the school uniform. Since buying clothing is a family function, parents are expected to purchase clothing that will meet the standards set forth in the dress code policy. This policy is written so that it is easy for students and parents to adhere to and easy for teachers and administration to enforce.

CAR POOL/PICK-UP AND DROP-OFF PROCEDURES

Our Lady Queen of Martyrs has a pick-up/drop-off and park/pick up procedure for those students transported by car. These procedures will be distributed to all families at the beginning of the school year and will be posted in the school directory. If you require assistance with the procedures, please contact the office.

BICYCLE SAFETY

Students riding to and from school must walk their bicycles while on school property and crossing streets. All bicycles must be locked in the bike racks.

VISITORS TO OLQM SCHOOL

We encourage parents, professional educational organizations and appropriate community groups to visit the classrooms. We do insist, however, that such visits be arranged in advance with the Principal.

All parents, visitors, and volunteers are required to report directly to the School Office upon entering the building. Visitors may NOT visit teachers and students during school hours unless previously approved. Meetings with teachers must be scheduled in advance. All visitors must wear a badge to indicate they have registered their visit in the School Office.

SCHOOL ADVISORY COMMITTEE

The educational goals and objectives of Our Lady Queen of Martyrs School are established and ratified by the School Advisory Committee. The Committee is composed of members appointed by the Pastor and/or Principal by virtue of their position in the school, parish and/or community. They serve as a support and advisory group to the Pastor and Principal.

The School Advisory Committee, in conjunction with the Archdiocese of Detroit, formulates the goals and objectives for the operation of the school. It is important to note that the School Advisory Committee is concerned only with these matters, leaving the administration of the school policies, curriculum and personnel to the Principal.

An email and/or text will go out to notify all families that the school will be closed.

FIRE DRILLS

According to State regulations, our school conducts eight fire drills during the course of the academic year. Students are instructed at the beginning of the school year how to respond at the sound of the fire alarm and where to proceed.

The students are to file out quickly and in complete silence to their assigned places outdoors. They are to stand outside silently until the return signal is given. Students are to return to their classrooms in silence.

Should parents be in the building at the time the fire alarm sounds, they are to leave as quickly and as quietly as possible through the nearest exit. It is extremely important that no one remains in the building during a fire drill.

LOCK DOWN DRILLS

Three lock down drills and two evacuation drills are practiced annually.

SEVERE WEATHER SAFETY

Our Lady Queen of Martyrs School follows the policy of Oakland County concerning severe weather safety. This policy requires that students remain in school during both a tornado watch and a tornado warning.

Parents are requested not to call the School Office in the event of a tornado or severe weather warning. We need to keep the telephone lines open for emergencies or specific directives from officials.

If a parent insists on having his/her child home in a period of a tornado or severe weather warning, he/she must come into the building and personally take the child home.

Should parents be in the building at the time the alarm sounds, they are to go to the nearest staff member and follow their instructions.

Severe weather drills are conducted for all students and staff in the fall and spring of each school year.

EMERGENCY FAN OUT PROCEDURE

In case of an emergency school closing or any incident that may occur pertaining to OLM School, parents or designated adults will be notified by phone for instructions.

Parents are requested not to call the School Office in the event of an emergency. We need to keep the telephone lines open for emergencies or specific directives from officials if applicable.

CRISIS PLAN

All faculty and staff have been trained in how to react if a crisis would occur. Students will practice fire, tornado, lockdown and evacuation drills at the beginning of the school year. In the event that a serious situation may occur the school building will be locked down for the safety of the students and all activities will assume as normally as possible. Information will later be disseminated to parents.

If for some reason the school would have to be evacuated, the students would walk to church. If the church is not accessible or safe for evacuation, students and staff would then walk to Pierce School until further instructions are given.

ACCIDENTS

Any type of accident which occurs on school premises will be reported to the office as soon as possible.

If the accident is of a minor nature (slight cut, scrape, bruise) it will be treated in school so that the student may return to normal activity.

If the accident is of a serious nature, one which may require more extensive professional care, we will make the student comfortable and immediately contact the parent or guardian. If there is no response at home, we will contact the parent or guardian at work or call the emergency numbers provided on the emergency card.

If your child should become ill while at school, we will follow the same procedure as for an accident.

Medication, such as aspirin, is never administered in school in accordance with State Law, unless written permission is received from the parent or guardian to do so.

Children subject to an accident or illness are not permitted to leave the school building alone. Parents or designated adults must come to the office; sign the child out before taking the child home.

MANAGEMENT OF ASBESTOS INSULATION PRODUCTS IN ARCHDIOCESE OF DETROIT SCHOOLS

The Asbestos Hazard Emergency Response Act (AHERA) of 1986 requires that all schools be inspected to determine if there are any building materials that contain asbestos. Our Lady Queen of Martyrs School has complied with AHERA by completing the following requirements:

1. Inspecting all facilities for both friable and non-friable asbestos-containing building materials.
2. Samples were taken during the inspections of all materials suspected of containing asbestos, and the samples were analyzed at an EPA-accredited laboratory.

3. A Management Plan written, based upon the inspection report and laboratory finds, outlining the administration's intent in controlling and abating any asbestos-containing building material.

The building was found to be entirely free of any asbestos-containing building materials accessible to inspectors. The inspection results are available for review in the administrative office.

The Management Plan, maintenance and custodial actions required by the plan, and training of personnel are all dedicated toward a serious and careful effort to always ensure that any potential health hazard from asbestos is eliminated. Students, faculty and employees have, and will continue to have a safe environment in which to learn, teach, and work.
