

OUR LADY QUEEN ^{OF} MARTYRS

CATHOLIC CHURCH & SCHOOL

Love of Learning Starts Here!

If you are looking for something for your child/ren to do...please check out one of the following sites. Our amazing Specials team put together this list of activities, sites, and games for students based on their interest.

Reading and Math:

<https://www.starfall.com/h/> - good for Pre-K through 3 reading and math practice

<https://www.abcya.com> – Pre-K through 6 reading, math and strategy/skill games (note: the games are free only on computers/ iPad- limited games available/ many of the games require Flash- which might be an issue on many devices.

☺ Squiggles & Scribbles with Ben Clanton-<http://www.benclanton.com/>

This author has a website dedicated to fun art lessons, draw along videos, and coloring pages. He recently did a "meet the author/illustrator" video that is super adorable.

Online/Virtual Field Trips:

🚌 Yellowstone National Park- <https://bit.ly/38VkiSM>

Take a tour of one of our most beloved national parks and see the Grand Canyon section, geysers, hot springs, mud volcanos and more.

🚌 San Diego Zoo-<https://kids.sandiegozoo.org/>

This zoo has tons of videos, activities, and games to keep your animal lovers entertained.

Reading and Books:

📖 PebbleGo Next-www.pebblegonext.com

This resource is great for elementary and middle school. Capstone is sharing their amazing reading resources in both English and Spanish to help students read and explore more. Click sign in.

 Lunch Doodles with Mo Willems - <https://www.kennedy-center.org/education/mo-willems/>

Mo Willems is inviting you into his studio every day for his LUNCH DOODLE. Learn to draw all your favorite Mo Willems characters. An episode is posted each day at 1:00 pm eastern time.

Science:

  National Geographic Kids- <https://kids.nationalgeographic.com/>

This website is chock-full of fantastic and fun ways to learn about our world. My children love the Weird, but True section (Olaf would be proud). Games, videos, an extensive animal section, and more will keep your student entertained and learning for hours.

  Scholastic Learn at Home - <https://bit.ly/2U0JfYF>

This online magazine/interactive website has stories, videos, and learning challenges. Learning journeys include virtual field trips, virtual author meets, and so much more. This works on any device.

Just for FUN!

 Hogwarts Escape Room- <https://bit.ly/3dhqyYACHSlibrary>

If you love escape rooms, make your own with this activity created by the Peters Township Public Library in Pennsylvania.

Physical Activity:

- <https://family.gonoodle.com/> GoNoodle is an excellent and fun resource for the whole family to exercise, dance, and workout. Scroll down and find an activity that you may want to try.
- <https://www.cosmickids.com> Cosmic Kids Yoga
- Nike Training App
- Nike Run Club App
- <https://www.youtube.com/watch?v=dhCM0C6GnrY&t=53s> This is a children's workout video.
- https://www.youtube.com/watch?v=L_A_HjHZxfI This is a beginner's workout video with a lot of good exercises

- Go on bike rides and walks or jogs with your family.

Music:

- <https://danielx.net/composer/>: Music writing program very easy for students k-8 to use.
- <https://www.classicsforkids.com/> - Find info on composers, instruments, genres of music, play music games.
- <https://musiclab.chromeexperiments.com/> (My lesson 2 next week) experimental music website
- <https://www.incredibox.com/> - One of my favorites the kids love it, get to create their own beats. Can be used on computer or as an app - but does cost money as an app.
- <https://www.nyphilkids.org/> - Cool music games and info
- <http://isleoftune.com/> - (Have to allow Adobe to use) Students create islands and when they hit play it creates a song.
- <https://www.onemotion.com/chord-player/> - create different songs with given chords
- <http://www.themusicinteractive.com/downloads.html> - Called Staff Wars, like Star Wars, but students try and guess correct notes on music staff
- <https://teachrock.org/> - Music lessons cross curricular, math, science, english but stems from a music-base lesson
- <https://www.musictheory.net/> - Every music lesson from beginner - advance (great theory resource)

Spanish:

<http://www.bbc.co.uk/languages/spanish/> BBC Language is an excellent resource for engaging narrative videos and interactive resources that will get you excited about learning Spanish. This web-site offers an interesting approach to learning through an interactive video drama mystery.

<https://www.123teachme.com/> This web site is filled with helpful resources and activities, and games for your computer or phone. Test thousands of specific vocabulary, grammar, and verb skills.

<https://conjuguemos.com/> This web site includes a variety of interactive activities and flashcard-style study guides. It includes extra fun and guidance for conjugating verbs.

<https://www.fluentu.com/blog/spanish/spanish-vocabulary-words-football-soccer/> Do you like sports, music, or culture? This web-site has a variety of games and interactive activities that are sure to enhance your skills in Spanish.

<https://www.duolingo.com/> Duolingo is said to be the best online resource for learning any language. It offers a variety of activities and you can work at your own pace.

<https://spanishmama.com/> Spanish Mama includes stories, songs and activities that are sure to make the language learning experience fun!
